Note.—The data from which the foregoing statement of the situation of the Banks in Connecticut were made up was not complete. In some cases there appeared to be an excess of means; in all such cases the amount is set down as so much profit, and marked thus: *. In some cases there appeared to be a deficiency of means; in all such cases the amount is set down as expenses, deficit, &c., and marked in the same way.

D.—GEORGIA.
