The Cumberland Bank of Alleghany county makes the following return: "Stock of this bank and other stock $54,467 50."

No reply has been received to a letter addressed to the cashier of the Farmers and Mechanics' Bank of Kent county, Chestertown, soliciting a statement of its condition. It is believed that this bank does only a small business.

In the column "Notes of other banks" are included sundry "checks on other banks," the exact amount of which cannot be ascertained.

The "other liabilities" of the Fredericktown Savings Institution consist of—"special deposits, $233,308 84;" accruing interest, $5,184 88.
