

FEDERAL RESERVE BANK  
OF MINNEAPOLIS

August 17, 2023

**ELECTION OF DIRECTORS**

NOMINATIONS: August 17, 2023, to 11:59 pm CT on September 15, 2023

BALLOTING: September 20, 2023, to 11:59 pm CT on October 4, 2023

**TO ALL MEMBER BANKS  
of the Ninth Federal Reserve District:**

An election will be held under the provisions of Section 4 of the Federal Reserve Act to choose successors to the following directors of this Bank whose terms expire on December 31, 2023:

**Class A Director, Mr. Gerald Jacobson**, President, Northwestern Bank, Chippewa Falls, Wisconsin. Mr. Jacobson is eligible for re-election. Mr. Jacobson was elected by banks in Group 3 (those having \$15,000,000 or less in capital and surplus), and his successor will be chosen by the member banks in this group;

**Class B Director, Ms. Chelsie Glaubitz Gabiou**, President, Minneapolis Regional Labor Federation, AFL-CIO, Minneapolis, Minnesota. Ms. Glaubitz Gabiou is eligible for re-election. Ms. Glaubitz Gabiou was elected by Banks in Group 2 (those having at least \$15,000,001 but less than \$100,000,000 in capital and surplus) and her successor will be chosen by member banks in this group.

The member banks comprising each group are listed on the following pages. The group in which a member bank will be entitled to vote is determined by its capital size classification as of June 30, 2023, even though its capital and surplus may have subsequently changed.

Each bank in Group 3 is permitted to nominate one candidate for Class A director. Each bank in Group 2 is permitted to nominate one candidate for Class B director. The exception is whenever two or more member banks in the same voting group are subsidiaries of the same bank holding company, in which case participation in the nomination and election is confined to one of such banks, which is designated for the purpose by such bank holding company. **The nominations must be made online no later than 11:59 p.m. central time on September 15, 2023.**

Following the close of the nomination period, a list of the candidates will be posted. All member banks will receive a link to the election website, where banks eligible to vote will be provided access to a preferential ballot. The ballot must be cast within fifteen days as noted above. Following the close of the polls, the result of the election will be announced with a posting on the Reserve Bank's public website. Refer to <https://www.minneapolisfed.org/about-us/board-of-directors/director-elections> for election results.

The ballot must be executed by an official authorized by your bank's board of directors to cast the bank's vote. A member bank will have the opportunity to confirm with the Reserve Bank the name(s) of the bank's authorized official(s) before every election. The authority conferred on these official(s) may remain the same or be changed in the registration process every year.

While member banks in Group 1 will not vote in this election, this circular is available to them electronically, without the option to nominate or vote, for their information.

Very truly yours,

Sri Zaheer  
Chair of the Board

## ELIGIBILITY OF NOMINEES

Section 4 of the Federal Reserve Act as amended contains the following provisions:

“Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stockholding banks. \* \* \* No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as a member bank of which he or she is an officer or director. Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.”

“Class B shall consist of three members, who shall represent the public and shall be elected without discrimination on the basis of race, creed, color, sex, or national origin, and with due but not exclusive consideration to the interests of agriculture, commerce, industry, services, labor, and consumers. No director of Class B shall be an officer, director, or employee of any bank.”

“No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve Bank.”

In a resolution adopted December 23, 1915, the Federal Reserve Board expressed the opinion “that persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal Reserve Banks.”
