ort, has been taken from the Treasury report of says, in a letter to this department, "The banks d form, each cashier using his own language to ficult to reduce the various items to the same de-

NOTES.

In the above digest, prepared from the materials forwarded by the Comptroller, the following items have been embraced under the head of *specie and specie funds:* "cash on hand, checks, &c.;" "specie on hand and specie funds, and fund in New York;" "cash forwarded." It is to be regretted that there is so much vagueness in stating an account of so much importance. Not one bank in the State appears to have given a statement of the exact amount of specie in its vaults.
