NOTES.

The City and Globe Banks, in Boston, returned in addition to their Capital Stock paid in, the amount borrowed by them from the State, viz. the City, $100,000, and the Globe, $54,000. These sums are transferred to the column of "Cash deposited bearing interest," and are included in it.

The North and State Banks, *in Boston, state that the whole of the amounts in their respective columns of "Cash deposited bearing interest," are loans from the State Treasury.*

The Hancock Bank, in Boston, state that $64,399 37 has been deducted from their Capital Stock, and carried to Profit and Loss account.

The Leicester Bank, *in Leicester, does not distinguish the "Bills in circulation of five dollars and upwards," from "Bills in circulation less than five dollars,"—and the amount is placed in the first-mentioned column.*

The Cohannet Bank, in Taunton, gives the state of the Bank on the second Saturday of November, instead of the first Saturday, as required by law and by the requisition of the Governor.
