NOTES.

This abstract embraces all the banks which were included in the last year's abstract, excepting the Hancock, Middling Interest, and East Bridgewater Banks. The first two are settling up their affairs, under the supervision of the bank commissioners. The charter of the East Bridgewater Bank has been surrendered. The capital stock of the Andover Bank has been reduced \$50,000 since last year. The capital stocks of all the other banks in the abstract remain unchanged.

The City and Globe Banks, in Boston, returned, in addition to their capital stock paid in, the amount borrowed by them from the State, viz: the City \$100,000, and the Globe \$54,000. These sums are transferred to the column of "Cash deposited bearing interest," and are included in it. The North and State Banks, in Boston, state that the whole of the amounts in their respective columns of "Cash deposited bearing interest," are loans from the State treasury.

The debt and credit account of several banks, as given in their returns, do not exactly balance. The aggregate, in the abstract, has been affected accordingly.

In November, 1839, the banks included in this abstract presented the following aggregates, viz: Capital stock paid in, \$33,800,000; Bills in circulation of five dollars and upwards, \$6,303,709; Bills in circulation less than five dollars, \$1,450,972 50; Net profits on hand, \$1,747,717 98; Balances due to other banks, \$2,427,821 69; Cash deposited, &c., not bearing interest, \$4,749,162 82; Cash deposited bearing interest, \$1,923,807 92; Due from the banks, \$52,402,797 41; Gold, silver, &c., in banks, \$1,835,779 92; Real estate, \$1,131,238 84; Bills of banks in this State, \$1,354,226 17; Bills of banks elsewhere, \$190,610 64; Balances due from other banks, \$3,767,736 59; Due to the banks, excepting balances, \$44,123,313 01; Total resources of the banks, \$52,402,896 06; Amount of the last semi-annual dividend, \$1,018,895; Amount of reserved profits, \$1,515,278 06; Debts secured by pledge of stock, \$1,245,876 60; Debts due and considered doubtful, \$887,482 16.]
