FR Y6 File Naming Convention

When an attachment is added for the FR Y-6, you will be asked to make a series of selections based on the attributes of the file(s) that Reporting Central will use to create the file name. The RSSD and as-of date will automatically be added to the file name based on the institution.

- Reporting Central will give you an error message if you choose options that will create a file that has a filename that matches an already attached file.
- Remember: To complete the file attachment process after clicking the Upload button, you must click the Done button at the bottom of the following screen. If you click Cancel, all file uploads will be canceled.
