

FEDERAL RESERVE BANK OF MINNEAPOLIS

Pursuing an economy that works for all of us

Paul E. Ljung
MANAGER, STATISTICAL &
STRUCTURE REPORTING

October 16, 2020

To the Chief Executive Officer of the Holding Company,

The Consolidated Financial Statements for Holding Companies (FR Y-9C) report has been updated for the September 30, 2020, reporting date.

The final form for the FR Y-9C effective for September 30, 2020 is posted on the Board's [Reporting Forms](#) webpage. Updates to the September FR Y-9C instructions and the Supplemental Instructions which provide guidance on accounting and reporting issues affecting the FR Y-9C will also be available soon on this webpage.

As previously advised, the FR Y-9C updates for March and June 2020 included revisions associated with several capital-related and other interim final rules (IFRs) issued by one or all of the agencies in response to the impact on the financial markets and strains on the U.S. economy as a result of the Coronavirus Disease 2019 (COVID-19). These revisions also resulted from certain provisions of the 2020 Coronavirus Aid, Relief, and Economic Security Act. During the third quarter, the agencies finalized several of the capital-related IFRs with no changes or limited changes. Holding companies (HCs) should refer to the separate standalone September 2020 COVID-19 Supplemental Instructions addressing these revisions, which update the June 2020 version of these Supplemental Instruction and will be posted shortly.

HCs filing the FR Y-9 reports (FR Y-9C, FR Y-9LP, FR Y-9SP, and the FR Y-9ES) are required to submit each report electronically. HCs must maintain in their files a manually signed and attested printout of the data submitted. The cover page of the Reserve Bank supplied report forms should be used to fulfill the signature and attestation requirement and this page should be attached to the printout placed in the HC's files.

If you complete the preparation, editing, and review of your report(s) before the submission deadline, please file the report(s) immediately rather than waiting. Early submission provides for additional time for your institution to become accustomed with the new enhanced electronic submission process, and aids the Federal Reserve in the editing, review, and analysis of the reports. If you later find that certain information needs to be revised, please make the appropriate changes to your report and promptly submit the revised data.

The Federal Reserve developed Reporting Central to enhance the overall reporting functionality of the Federal Reserve Banks' data collection and processing activities. These enhancements will allow for a more secure, technically advanced, and efficient system that will encompass a single point of entry for electronic submission and file uploads. Financial and nonfinancial institutions will access Reporting Central via the FedLine® Web Access Solutions site to submit reports and gain access to electronic reporting applications, report forms, and instructions. The [Reporting Central application](#) can be accessed for additional information including an online resource center. If you have any questions regarding Reporting Central, please contact your Reporting and Reserves District Contact.

One aspect of the transition to Reporting Central necessitates the Federal Reserve to modify its internal procedures for handling confidentiality requests for those HCs that submit data electronically. Generally, individual respondent data collected on the FR Y-9C, FR Y-9LP and the FR Y-9SP are made readily available on the [National Information Center](#) public website and the FR Y-9ES, FR Y-11/S and FR Y-12 reports are available to the public upon request on an individual basis. All data are published, with the exception of items deemed confidential per the report's instructions, unless the individual HC from which the data were collected has been granted confidential treatment or has a request pending. A HC may request confidential treatment for the entire report or for specific items on the report. To better facilitate confidentiality requests and ensure the data are properly handled during the review of the request, the Federal Reserve strongly encourages institutions that are of the opinion that disclosure of certain commercial or financial information in the report would likely result in substantial harm to its (or its subsidiaries') competitive position or that disclosure of the submitted personal information would result in unwarranted invasion of personal privacy to:

- (1) Notify their Reserve Bank of their intent to request confidential treatment in advance of the written request and
- (2) Send the confidentiality request in writing prior to data submission.

For institutions that do not submit data electronically, written requests for confidentiality may be provided concurrently with the paper submission of the report.

For more information on confidentiality requests, please see the specific report General Instructions.

Note: The information referenced above pertains to the existing manual process for submitting confidentiality requests. The final notice to add the confidentiality check box to the front page of the FR Y-9C, FR Y-9LP, FR Y-9SP, FR Y-9ES, FR Y-11/S, and FR Y-12 forms was published in the [Federal Register](#).¹ The implementation date for the new confidentiality check box procedures has not been determined. Institutions will be provided with ample notice to prepare for submission of the new confidentiality check box requirements.

As mentioned above, the Federal Reserve publishes HC FR Y-9 report submitted data to the [National Information Center](#). Data is published on a flow basis within two days following receipt of a submission from the holding company, and updates are run nightly to capture any revisions subsequently submitted by the reporting institutions.

HCs may subscribe to the Federal Reserve Board e-mail notification service to receive alerts regarding report form and instruction updates at: <http://www.federalreserve.gov/reportforms/whats-new.htm>. These updates include changes related to proposed new and existing data collections and final reporting forms and instructions.

All questions regarding these reports should be addressed to mpls.statistics@mpls.frb.org.

Sincerely,

/s/

Paul E. Ljung
