

# TOP 3 WAYS TO MAKE LAND BUY-BACK MONEY MATTER

- 3. OPEN A BANK ACCOUNT.**  
Nearly a quarter of our reservation residents have no experience with bank accounts. Opening a bank account - whether it is a checking or savings account - is a fundamental step in building a healthy financial future for you and your family.
- 2. ENROLL IN PERSONAL FINANCE TRAINING.**  
Not sure how to make your land buy-back money matter? Enroll in a personal finance training course at Four Bands Community Fund to help make the best decision for your household's financial future.
- 1. INVEST LOCALLY.**  
Work with one of the financial institutions on the back of this flyer to make your money grow with investments. Depending on the type of investment, it will bring you a financial return, and potentially have a positive community impact.
